Notes

- BNL BLIP update
 - Still on schedule to start irradiation during the week of Feb. 27th.
 - Nick will have the safety committee review meeting tomorrow
- CERN capsules expected to ship sometime between Feb. 13th and 20th.
 - Shipping time not expected to take more than a few days unless package is held up by US customs.
- FNAL capsules and specimens will be test fitted and final machined by the end of the week.
 - Planning to travel to BNL during the week of Feb. 6th to weld all four capsules.
- Next VC meeting will be scheduled in a couple of weeks.
